VIP Educations

**"The fast-track
to your
future"**

Our Flexible Education

VIP Educations has options to suit your career advancement goals and schedule. Our programs can be tailored for practicing professionals, students, entire classrooms and departments.

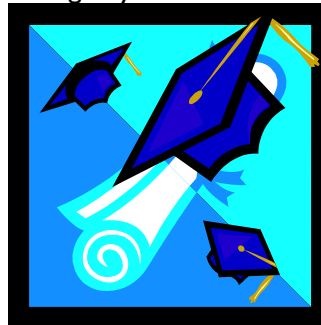

Not only will you be on the fast-track to becoming a CRT, RRT, CPFT, RPFT or NPS, but it will cost far less than it would if you went through the conventional methods.

Make yourself more valuable now.

Our Programs

- CRT to RE to RRT
- CPFT, RPFT, NPS

Are you Certified, but unable to sit for the registry exam because you are short school credits? VIP Educations will help you go from Certified to Registry Eligible in as little as three weeks. We follow the NBRC registry requirements, and through our allegiance with regionally accredited colleges, you can attain the credits you need to complete your degree. Not only will you receive college credits, but most classes will count toward Continuing Education Units for licensure. You will be sitting for the Registry in no time.

Ready to Sit for an NBRC Credentialing Exam, but need some help? Make your self more valuable and higher paid by achieving more credentials: RRT, CRT, CPFT, RPFT, NPS. Let VIP Educations assist you with the Exam.

We are not in the Business of teaching individuals Clinical Skills.

Our sessions are based on experiential knowledge of content material, and examination exposure. We teach you how to take the exam, and pass it.
